

Who's a good boiii???

Dogs are adorable! For the most people a dog is a companion and family member. People like to share stories about their dog and sometimes they share it with the world. We're taking a closer look to WeRateDogs and using their data to get a better insight of the „dogside“ of Twitter. The collected data is from November 2015 to August 2017. (1659 Tweets)

Which dog breed is commonly posted on WeRateDogs?

Golden Retrievers are mostly posted on WeRateDogs, followed by Labrador Retrievers and Pembroke. Round about 8 % of the tweets shows images with Goldies.

Which tweet was the most favorite one?

And the winner is: A Labrador Retriever with closely 150k Likes and with 74k retweets. The post shows a video with a lovely swimming Labby. Truly a 13/10 Rating!

Which dog names are popular?

Is it Bolt, Beethoven or Benji? Famous Movie Dogs? No, the most common name is Charlie, followed by Cooper, Lucy and Oliver.

Does a high like count leads to a high retweet count?

The provided scatterplot assumes that there is a positive linear relationship between favorite count to retweet count. A tweet with many likes usually has many retweets. Obviously a cute dog has to be shared!
